Your Kingdom come | Your will be done |

EDITOR'S DESK

While pondering on something to write for the Children's Day Edition, mind appeared quite blank as well as barren without giving any lead or hint to move on with. Even though many anecdotes which have been cherished during the teaching career, nothing could come on the way to lift up from this eerie destitution of ideas. After sometime, it suddenly flashed in mind, in my pensive mood, as the bliss of solitude to fill with all the magical beauty of its proverbial charm.

Childhood is the spring of one's life. Nature of a person solely depends on his nurturing. Hence childhood has so significant role in shaping the personality of a grown up individual. The character, temperament, mood, habits, gestures and even the deeds are the blooming of the deep-rooted effects gained during the tender ages. If anyone behaves unruly or in an offensive manner, it may be due to an unsophisticated childhood in which the person has gone through.

In short, childhood is a season of sowing the seeds for a splendid harvest in future days. If we need a better future, better qualities to be nurtured. For attaining the same, needs certain amount of patience as well as the readiness to sacrifice something for a period of time rather forever.

Dear young minds, inculcate better habits and values so that when you grow up, those qualities would appear as priceless ornaments for you.

SHATTERED DREAMS

The magic shown by the cartoons on the T.V.,
Created many dreams. Some were about science, art, music,
Some were about sports.

As kids, we loved the characters in cartoons,
Mimiced them, but as we grew up,
Those little glass dreams shattered.

I remember having many friends and chasing butterflies, living
like a free bird.

Watching Doremon,
I wanted to grow up quick to bring for in real world.
Now, the loneliness has come in
And small sphere of dreams shattered like a glass ball.

I'm not only one,
Many kids like me, went through like I had.
This system doesn't see or will never see the world through our
eyes and our creativity
It reads emotionless, feeling less people.
The one who questions the top
Is thrown out; forgotten and lost,
As they did something which no one could dare to?

Getting suppressed by people around, scared of future.
The realm of dreams is like a barren land now,
Which used to be green and magical water flowing with sun
giving an enchanted look.

Now, it looks like a cold, dark, dusty land which scatters the
heart.

What does happen if I am happy?

When I feel happy,
It's something good happened with me
If something happens good with me,
I feel very happy.

Day before today,
I was just feeling very happy,
Because I saw someone very happy,
When I went to circus I saw a maddy.

When I feel happy,
It's something excited going to happen with me,
If something excited is going to happen with me,
I feel very happy,

Day before yesterday,
I was waiting for a big cracker to blast.
That time I felt very excited,
So all it happens when I am happy.

What is hidden behind one's appearance?

As we live in a world where everything is based on judgement. When we see someone we judge him or her that is for sure. Even though we say we must not judge someone blahh... blahh... this all is just bullsh it.....

In today's world everyone is having their thoughts and expectations for some other person. In this topic 'Appearance can be Deceptitive', I agree it's totally true. When we see someone, the first thing we do is to look at their clothes and judge them. We see their skin colour and our brain automatically starts thinking about the character of the person.

I can even explain this with an example. I woke up and wore clothes that my friend lend me, I went out on a yacht with many people on it, you see I know how much I am broke but still I live a life of luxury and people think 'oh! He is so wealthy' and now I will ask them to lend me one lakhs they will do it, they won't think, because they believe that yes he is wealthy and will return money.

On the other hand I go wearing the old clothes and asking any one to lend even Ten thousand they won't, they clearly won't lend it, because now they think, they made a picture in their mind that he is broke and they even don't know that even if he could return it or not.

You see a person can be good or bad, but I think if he or she hs dressed up well and he will get a lot more respect then others. A person must stand outside of the crowd to be different. Now a days if we talk about relationships, they are not just about love. Girls do find a boy interesting if he has fame, money and looks. If a couple is standing and people look at them if any of them does not look good, they say they are not good for each other.

According to me looks matter because if a person cannot look good how even he could do anything for himself. A person's personality reflects his nature and living. If you wear a taxedo to a grand party you will be offered respect. On the other hand, if you wear simple dress to a party, they won't even talk to you because you will make their level down.

At last I will conclude by saying that yes, person's look matter a lot and every man should be in his best shape possible. He must be proud of himself and be strong enough to fight for what's wrong and what is right !

"If a man can't make himself look good, How can he expect others to be Good !".-Anonymous

Hope

Here, cited below is a story that explains leadership in real sense. Alkali desert, considered as one of the driest, lonely and scary desert all around the world. No soul is found kilometers around. But this is the only pathway joining south London with the Eastern London.

Back in 1880's a trader and a group of mormons had to cross it, there was no other option. It was believed that no one could ever cross it. Jefferson Hope was leading the group. He was a ready explorer and a adventurer by heart, but a merchant from occupation. He had taken many voyages, from the loneliest islands to the furious seas, wild forests to the deadly tribal villages everywhere.

Nevertheless, this was the first time he was crossing a desert. His team had hopes on him as he had saved them from various deadly situations.

They began their journey on camel backs, exactly at five in the morning on four August 1881. They rode for hours together. No animal, no tree, no human not even a drop of water was to be found. Many times and they crossed human bodies, laying in the ground, mysterious and motionless.

Hope (refers to Jefferson Hope) kept his team motivated by faking the distance left. But he knew the desert was vast. They had been riding for nine days together, but still they could not see a soul, just sand everywhere. There is no reason for not accepting the fact that they were lost. Half of his team had died because of thirst, but he was confident.

Their food beer had finished, there was nothing with them. Suddenly they heard some noises, maybe of horses. And soon appeared a crew of men. They were dressed as royals. Seeing the hunger of Jefferson Hope and his crew, they offered them food. Jefferson Hope was suspicious, all the time. He had a weird feeling of danger. Being the leader, he talked to his team and denied the food offered. They had come on horses, not possible in a desert. The horses were fresh and glossy, not tired at all. The crew returned in the direction they had come from.

Hope followed them quietly and soon found a big building. Probably a fort. He climbed up a wall and saw many women and men as slaves.

His suspicion had been true. He told it to his team. They had weapons with them. He entered first and was followed by his team at night. Everyone was asleep. He freed them. His team helped everyone go out. And soon they fled on their camels.

He motivated and encouraged his fellows. Using the map, a person who was freed told their location. Hope soon led his team out. He helped many on that day. He drank nothing himself and offered his part to his team. When they reached Eastern London, everyone was on cloud nine. Happiness was all around. They had made possible the impossible.

But as soon as they reached the streets of London, Jefferson Hope fell seriously ill. He had no food and water for fifteen days at least. The doctors examined Jefferson Hope, and came to the conclusion that he was just living for reaching London, he had severe dehydration and there were no hopes for him.

Two days later, he died leaving everyone else startled. He died of having had no food and water. He just lived for his team.

Jefferson Hope was a true leader instead of bossing around, he had made true friends with his team.

Who is a guide?

A person who leads a group to a common goal can be considered a guide or leader.

Leadership doesn't mean that one will just focus only on his/her goal or success. A leader is a person who guides a group. A leader is the head of the group of people. Leadership is a special and a valuable quality that one should have. A leader always need to have the quality of leadership. If not then the leader has no right to have leadership. A leader leads the group as the name suggests. Leadership is a quality that is not possessed by all. To become a leader, we should have the quality of leadership, as well as the qualities of kindness, gentleness and of being helpful. A great leader never misuses his power of leadership. A leader always motivates, helps his fellow members of the group. A leader doesn't mean a leader of ten to twenty people, he/she can be a leader of city, state or even a nation like a Prime Minister or President etc. A leader sacrifices his life, his goals, and his success for the achievement of success of the whole group. A leader is the most valuable person of the group as he has the quality of leadership, kindness, gentleness. A leader is a person who never disappoints his fellow team mates. A leader never lets his team mates down. A leader always looks forward towards the success of his whole team, leaving his/her everything behind. Leadership is the quality of leading a group nicely, safely, kindly and gently. A leader always wishes the best to happen with his teammates during the time of reaching the goals. Leadership is a main and greatest quality that we should look out for while choosing a leader. A leader always be on the leading position. A leader never make excuses to his fellow team mates, members. Like the father is the head of the family. A leader is the head, leading person of the group. A leader manages everything of the group, like the father manages work-load, money, bills and still have the time to spend with his family. So, a father is the leader in the family.

A father never disappoints his family, likewise, a leader also never disappoints his members in the group. A leader always remains unaffected, unsuffered due to the problems of the group. At last, I would say that leadership is the most valuable quality a person can have. It is the quality of kindness, loving and being aggressive on the team-mates at the same time. Leadership also tells us that, we should never be afraid from the upcoming challenges that the leader and the team-mates will face.

ਜ਼ਿੰਦਗੀ ਦੇ ਰਾਹਾਂ ਤੇ

ਜ਼ਿੰਦਗੀ ਦੇ ਉਲਝੇ ਰਾਹਾਂ ਤੇ
ਅਸੀਂ ਭੁੱਲ ਗਏ ਹੀ ਹਾਸਿਆਂ ਨੂੰ ।

ਨਾ ਜਰ ਸਕੀਏ ਹਾਸੇ
ਕੋਈ ਸਮਾਂ ਸੀ
ਖੁੱਲ੍ਹ ਕੇ ਜਿਉਂਦੇ
ਰੌਲਾ ਪਾਉਂਦੇ, ਝਿੜਕਾਂ ਖਾਂਦੇ

ਹੁਣ ਹੈ ਜੀਵਨ ਹੈ
ਸੁੰਨਸਾਨ ਜਿਹਾ
ਭਵਿੱਖ ਦੀ ਭਾਲ ਵਿੱਚ
ਕਿਤਾਬਾਂ ਦੇ ਸਾਗਰ ਵਿੱਚ ਗੁਆਚ ਗਏ ਹਾਂ।

ਨਾ ਅਸੀਂ ਵੇਖੀਏ ਮੀਂਹ ਹਨੇਰੀ,
ਨਾ ਤਿਤਲੀਆਂ ਪਿੱਛੇ ਭੱਜੀਏ,
ਨਾ ਅਸਮਾਨ ਵੱਲ ਤੱਕੀਏ ਪਰਿੰਦੇ,
ਨਾ ਹਵਾਈ ਜਹਾਜ਼ ਦੀ ਲੀਹ ਹੀ ਤੱਕੀਏ।

ਤਰੱਕੀ ਦੇ ਵੱਲ ਜਾਂਦੇ ਜਾਂਦੇ
ਬਚਪਨ ਗੁਆ ਲਿਆ
ਜੋ ਕਦੇ ਵਾਪਸ ਨਹੀਂ ਆਵੇਗਾ
ਜ਼ਿੰਦਗੀ ਦੇ ਰਾਹਾਂ ਤੇ ਅਸੀਂ
ਖੁਦ ਨੂੰ ਗੁਆ ਲਿਆ
ਗੁਆਚੇ ਰੁਲਦੇ ਫਿਰਦੇ ਹਾਂ
ਮੰਜ਼ਿਲ ਕਦ ਲੱਭੇਗੀ

ਭਟਕਣ ਵਿੱਚ ਪਾ ਲਿਆ
ਜ਼ਿੰਦਗੀ ਦੀਆਂ ਉਲਝਣਾਂ 'ਚ ਖੁਸ਼ੀ ਨੂੰ ਗੁਆ ਲਿਆ।

"माँ की कहानी थी परियों का अफसाना था बारिश में कागज कश्ती थी बचपन का हर वो मौसम सुहाना था"

बचपन (२) किसी भी व्यक्ति के जीवन का सबसे मज़ेदार और यादगार समय होता है। यह समय चंचलता और मिठास से भरा होता है।

बचपन जीवन का पहला चरण है जिसे हम जैसे चाहे वैसे इसका आनंद ले सकते हैं। इसलिए किसी ने बचपन के बारे में ठीक ही कहा है-----

रोने की वजह न थी
ना हँसने का बहाना था।
क्यों हो गए हम इतने बड़े

इससे अच्छा तो वह बचपन का जमाना था ॥

बचपन जीवन का सबसे मजेदार पल होने के साथ-साथ बच्चों के भविष्य को आकार देने का भी एक महत्वपूर्ण समय होता है। इसलिए बच्चों की शिक्षा, स्वास्थ्य और बेहतर भविष्य के बारे में जागरूकता लाने हेतु हर वर्ष 14 नवंबर को बाल दिवस के रूप में मनाया जाता है। बाल दिवस 14 नवंबर को मनाए जाने का भी एक खास कारण है। 14 नवंबर सन् 1889 में हमारे देश के प्रथम प्रधानमंत्री श्री पंडित जवाहरलाल नेहरू जी का जन्म हुआ था। नेहरू जी को बच्चों के साथ अधिक से अधिक समय बिताना और उनके अधिकारों के प्रति अग्रिम रहना अच्छा लगता था। जवाहर लाल नेहरू जी बच्चों के प्रति गहरी स्नेह भावना रखने के लिए प्रसिद्ध थे। बच्चे भी उन्हें प्यार से चाचा नेहरू कहकर पुकारते थे। उनका यह मानना था कि आज के ये नन्हे सितारे नवभारत का सपना पूरा कर सकते हैं। यही वे सितारे हैं, जो कल का भविष्य बनेंगे इसलिए इन बच्चों का सही तरीके से पालन पोषण करना, उन्हें उचित शिक्षा प्रदान करना, उनके अधिकारों और स्वास्थ्य के प्रति लोगों को जागरूक करना अत्यंत अनिवार्य है इसी उद्देश्य को ध्यान में रखते हुए हर साल 14 नवंबर को यह दिन पूरे हर्षो उल्लास के साथ बाल दिवस के रूप में मनाया जाने लगा। बच्चे हमारे देश का भविष्य है इसलिए हमें बच्चों को उनकी प्रतिभा एवं रुचि के अनुसार आगे बढ़ने में मदद करनी चाहिए और उन्हें प्रोत्साहित करना चाहिए। तो आओ, हम सब मिलकर यह प्रण लें कि हम अपने देश के उज्ज्वल भविष्य, अपने इन प्यारे बच्चों को प्यार एवं अच्छी आदतों से संवारकर नवभारत की एक मजबूत नींव की स्थापना करेंगे क्योंकि---

" बच्चे हैं देश की प्रगति का आधार,
यही करेंगे नवभारत का सपना साकार
यही करेंगे नवभारत का सपना
साकार।"

बचपन

बचपन की धूप में खेलते हैं,
नन्हे हाथों में गेंदें लेते हैं।
चाँद की रोशनी में सपने देखते हैं,
बचपन की यादें हमेशा साथ रहती हैं।

नन्हे कदमों से चलते हैं,
नन्हे दिलों में खुशियाँ भरते हैं।
बचपन की मुस्कान से दुनिया रोशन होती है,
बचपन की यादें हमेशा ताज़ा रहती हैं।

बचपन की यादें हमें सिखाती हैं,
कि जीवन में खुशियाँ कैसे मिलती हैं।
बचपन की यादें हमें याद दिलाती हैं,
कि जीवन में सपने कैसे सच होते हैं।

बचपन की यादें हमेशा साथ रहती हैं,
और हमें जीवन की सच्चाई सिखाती हैं।
बचपन की यादें हमें खुशियाँ देती हैं,
और हमें जीवन की खूबसूरती दिखाती हैं।

यह कविता बचपन की यादों को ताज़ा करती है
और हमें जीवन की सच्चाई और खूबसूरती की याद दिलाती है।

कृतार सिंह सराभा की जीवन यात्रा से सीखने योग्य सबक
